

STEPP'S

ENVIRONMENTAL RESPONSE

COVID-19 DISINFECTING SERVICE

All disinfecting procedures will be done following the CDC and/or EPA guidelines for field activities for disinfecting and sanitizing of the COVID-19 Virus. All products used are registered and approved with the CDC and or the EPA for this specific application.

Vehicle Rates;

Vehicles (interior) Vehicles will be cold fogged with the product (fog) left to permeate the interior surfaces for approximately 5 minutes. The operator's area will get a spray and hand wiping as well as the cold fogging. The area may be inhabited immediately after treatment.

Bus: \$49.99

Van / SUV \$35.99

Car \$29.99

Structure Rates;

Interior Areas \$.14.9 per Square foot

Exterior areas \$.12 per square foot

There will be a \$50 travel fee added to all jobs.

PLEASE NOTE THAT THIS IS A DISINFECTING/SANITIZING SERVICE AND NOT A CLEANING SERVICE
